

Infinite images made possible.

Expand your view with the VP2330wb 23" widescreen LCD display. This elegant display's widescreen aspect ratio ENHANCES YOUR PRODUCTIVITY, allowing you to view two complete documents or work in two applications side-by-side. Organize graphics toolbars and schematics while working in the main document and expand your notebook's display area with the VP2330wb. Built on our tradition of award-winning displays, the VP2330wb features innovative PERFECTSUITE™ SCREEN CONTROL SOFTWARE FOR THE BEST POSSIBLE FRONT-OF-SCREEN PERFORMANCE. Demanding users will revel in the advanced ergonomics including the progressive THINEDGE™ DESIGN WITH COMPREHENSIVE HEIGHT AND PIVOT* adjustments. Professional-caliber features like ClearMotiv™ 8ms gray-to-gray broadcast quality video response deliver superior clarity and perfect focus when viewing moving images making the VP2330wb the perfect choice for maximizing your visual experience.

VP2330wb

23" ULTRA-SLIM BEZEL WIDESCREEN LCD DISPLAY

WITH 8MS CLEARMOTIV™ HD
BROADCAST-QUALITY VIDEO

WIDESCREEN EXPANDS YOUR VIEW

- > **ClearMotiv 8ms video response time**
Ultra-fast 8ms gray-to-gray video response enables digital HD broadcast-quality full motion video.
- > **ThinEdge maximizes your productivity**
The ultra-slim 0.85" bezel design enhances your visual experience with clean, minimalist borders around the active image area. Suitable for tiling and stacking.
- > **Ideal for multiple-monitor setups**
ThinEdge minimizes bezel gaps between panels for a virtually continuous viewing area in multiple-panel setups.
- > **Pivot, height and wall-mount versatility**
VESA* wall-mount interface and detachable base for ergonomic flexibility with pivot*, height, tilt and 270° swivel adjustments.
- > **PerfectSuite™**
Professional-grade LCD control software featuring color calibration, asset management, theft deterrence, and auto screen rotation*.
- > **High brightness and contrast**
250-nit brightness (typ) and 800:1 contrast ratio (typ).
- > **Full 23" viewable widescreen**
- > **1920x1200 optimum resolution and HDTV-720p compatible**
